

CONFIRMATION OF WILLINGNESS TO SIGN STANDARD CONTRACT DOCUMENTS
FOR PROJECTS RELATED TO THE NORTH DAKOTA DAM SAFETY PROGRAM

As a representative for my firm, I have read and understand the “Contract for Engineering Services”, including the insurance and indemnification clauses. If my firm is offered a project resulting from the October 2017 RFQ for the North Dakota Dam Safety Program, my firm is willing to sign these standard contract documents to enter into an agreement with the North Dakota State Water Commission.
