

NFIP Workshop

May 23 & 24, 2017

MT-1 and MT-2 Forms and Process: LOMA/LOMR Training

FEMA-Region 8 and the North Dakota State Water Commission are sponsoring a National Flood Insurance Program (NFIP) workshop in Fargo on Tuesday, May 23rd and in Bismarck on Wednesday, May 24th. These one-day workshops will focus on Letters of Map Amendment (LOMA) and Letters of Map Revisions (LOMR); which are routine Flood Insurance Rate Map changes using the MT-1 and MT-2 forms. The presenters will explain what information is necessary to successfully submit a LOMA or LOMR and what the general process looks like.

Please pre-register as space is limited.

When and Where:

- Tuesday, May 23rd – Fargo, Public Safety Building (upper level)
 - 4630 15th Ave N, Fargo, ND 58102
- Wednesday, May 24th – Bismarck, City Public Works Building
 - 601 S 26th St, Bismarck, ND 58504

Agenda:

8:30-9:00AM	Arrival/Sign-in
9:00-12:00PM	LOMA: MT-1 Process
12:00-1:00PM	Break for Lunch (on your own)
1:00-4:00PM	LOMR: MT-2 Process

Topics to be covered:

- Details of the LOMA and LOMR processes and information required
- Zone A – how to determine a Base Flood Elevation
- MT-2 specific overview

Presenters:

- Tom Birney, CFM FEMA – Denver, CO
- Paul Anderson, P.E., CFM CDM Smith – Denver, CO
