Jon Patch, P.E., Director of Appropriations

State Water Commission

900 East Boulevard Ave Bismarck ND 58505-0850

The cover letter should include an explanation of why you are qualified for this position based on the summary of work included below.

Also, please contact Jackie Schacher at 701-328-2754 and identify yourself as a potential applicant for the summer Field Inspector position.

Summary of Work:

Inspects works of municipal, industrial, and irrigation water permits. Field check locations of wells, inspect metering devices, and verifies all conditions stipulated in the water permit have been met. Prepares written reports of inspections and makes recommendations to project hydrologists. Must be able to work independently in the field. Successful hire will be required to do extensive travel throughout North Dakota with overnight stays. Typical week will include up to four (4) nights spent on the road and one (1) day spent in the office planning, preparing, and report writing. Written and verbal communication skills are a must.

Equal Opportunity Employer: The state of North Dakota does not discriminate on the basis of race, color, national origin, sex religion, age or disability in employment or the provision of services and complies with the provision of the North Dakota Human Rights Act.
